

Jeff Carrel

Point de Vue Rouge

We let this wine live, and to make it talk, we trapped it in a bottle...

Appellation: VDF

Vintage: 2019

Alcohol: 13.5%

Grape varieties: 40% Cinsault / 30% Syrah / 20% Grenache / 10% Carignan

Terroir: Vines aged between 15 and 60 years old / Clay and limestone on sandstone / On the Eastern extremity of the Corbières mountain range.

Vines: On average 4000 roots per hectare / Grenache and Carignan pruned in Goblet form / Low yield of approximately 35 hl/ha.

Vinification methods: Manuel harvesting / Cinsault & Syrah, and Grenache & Carignan grapes are assembled together before fermentation (40% whole harvest) / Natural yeasts / Without sulphites / Assembled after Malolactic fermentation.

Maturing: In concrete tanks with lees / Sulphite added before bottling in July.

Tasting notes:

Dark ruby.

A greedy and complex nose with aromas of red fruits and burlat cherries.

The palate is full, refreshing with long and tasty tannins.

Pairing:

On a nice bit of meat...

Recommendations:

Serve between 14 and 16°C

Aging potential: At least 5 years.
